

I'm upset that Sinclair Broadcasting is going to preempt regular scheduled programming to broadcast an attack on Senator Kerry. That sounds like a campaign ad for President Bush to me. What about equal time for candidates? What about Sinclair Broadcasting's responsibility to use the airwaves for the public good? If they are allowed to do this, it will undermine people's faith in our government and in our elections. Please, in the interest of fairness and democracy, do not allow Sinclair Broadcasting to do this.
